LONDON NEWCASTLE
presents

our history exhibition.

6th—9th november 2008

exhibiting a series of original screen prints of the most iconic and groundbreaking club based graphic images from 1989 till the present day.

once designed as disposable art, our history has picked club flyers up off the historical dance floor and put them onto international art gallery walls alongside specially commissioned installations.

our history chronicles an incredible journey of design creativity which has shaped modern popular culture.
